

Scout Camping Area on S. Shady Ave

DIRECTIONS

An address you can use for GPS directions is 919 South Shady Ave. Damascus, VA 24236, which is Souls Harbor Church, and you will pull around to the back left side of that building for entry into our Scout's camping area.

THE BASICS

This is a very primitive, mostly wooded tract of land that backs up to Beaverdam Creek.

If you need assistance while you're here, please contact the Washington County VA central dispatch office at 276-676-6277 and ask them to have a Damascus Officer contact you. If a Damascus Officer is not available, they will contact the closest available County officer.

FYI - In Damascus there is a cell tower with only Sprint and Verizon services (and AT&T if you aren't inside a building), so if your cell service is thru another provider, you probably won't have a signal unless you go to a location where wi-fi is available.

The fee to camp is \$5 per person, per night. This can be placed in the drop-box just outside the Fire Station/Town Hall front doors at 208 West Laurel Ave., or mailed back to us after the camping trip to:

Damascus Town Hall, P.O. Box 576 Damascus, VA 24236

Thank you and enjoy your trip!

Tuesday Pope, Damascus Town Clerk
